Affiliate Committee

No Report

Social Committee

Announcement of the planning an affiliate appreciation day cook-out is in the works, stay tuned.

General Items

We are starting a grant program to help out members who have not been able to pay their dues to try and boost membership back to where it was last year. This is still in the works. We will update the website with more information on this as it develops.

The Habitat for Humanity workday will be April 10. More details available on the website.

Presentation

Garrison Muller from **3form** gave a 1 CEU presentation on "**Demystifying Resins: An architect's guide to designing with polymers**".

Old/New Business

The city of Mobile adopted new FIRM maps for Mobile flood zones. Please contact the Mobile planning commission for more information. Using these maps are required by the local flood ordinances and are a FEMA requirement for new construction in a flood zone designated by these new maps.

There was a great turn out to this year's Chilli Cook-Off. Thanks to Tighe Butler and all who participated.

Please visit the architectural gallery at space301 downtown to see the LTL exhibit and local architect and student work. It will run until May 9th.

Please complete the **member survey** available on the website.

Also, please visit the new **job zone** on the website. Post a resume or an available position.

There being no further business, the meeting was adjourned.

When making decisions on products and services, please keep these companies in mind. They are strong supporters of the AIA **Mobile** Chapter and your profession and help AIA Mobile throughout the year, sponsoring events and participating in various ways.
