

December 7, 2009

Dear Potential AIA Mobile Affiliate:

The Mobile Chapter of the American Institute of Architects is always looking for partnerships with other individuals and companies in the industry. Together with its affiliates, the AIA Mobile Chapter has been able to reinstate its scholarship program, along with hosting multiple events design to broaden the awareness of everyone involved. In 2010, we hope to expand our affiliations and services even more, and with your help, we can achieve that!

Of course we would love for you to consider becoming an affiliate with the Chapter on either level.

As was the case last year, this year there are two levels of affiliate membership:

- **Affiliate Member –**

If paid between January 1 – June 30, \$200 annual dues **per individual**

If paid between July 1 – December 31, \$100 annual dues **per individual**

As an Affiliate Member, you will have the right and privilege of attending our monthly Chapter luncheons, a great way to make regular contacts within the local design community. These monthly meetings are held every third Thursday of the month throughout the year. You will also be able to attend any social gatherings during the year that usually include a mid-year event and an annual Christmas party.

- **Affiliate Sponsor -**

If paid between January 1 – June 30, \$350 annual dues **per individual**

If paid between July 1 – December 31, \$175 annual dues **per individual**

In addition to all Affiliate Member privileges listed above, Affiliate Sponsors will receive an advertising block on the chapter website, special mention in monthly chapter meeting announcements, and the opportunity to set up a display at our special mid-year event – a great way to promote your message to potential or existing designers locally! If your organization has multiple individuals that wish to become affiliate members, only one Affiliate Sponsor from your organization is required to gain the additional benefits for the whole organization - other individuals may sign up as Affiliate Members.
